Mr. J. C. Collier,
Barnesville, Ga.

Dear Mr. Collier:-

In going through some of the mail of my father, Ben Collier, Jefferson, Georgia I found an interesting letter dated April 26th. In this letter there is a request for certain information regarding the records of the Collier family. I, too, have been interested in collecting on a small scale information regarding my family and shall be glad to give you the list I have obtained if it is not too late. Please advise me at your earliest convenience if you want this information further.

My father joins me in regards to you and your family.

Sincerely,

Pauline Collier
